KEY INSURANCE TERMS

- Beneficiary is an individual or a company that an insurance policy states may receive a payment under the
 insurance policy if an insured event occurs. A beneficiary does not have to be the insured/policyholder and
 there may be more than one beneficiary under an insurance policy
- Claimant is either a beneficiary who is making a claim under an insurance policy or an individual or a company who is making a claim against a beneficiary where that claim is covered by the insurance policy
- · Claims processing is the process of handling a claim that is made under an insurance policy
- · Quotation is the process of providing a quote to a potential insured/policyholder for an insurance policy
- Inception is when the insurance policy starts
- *Insurance* is the pooling and transfer of risk in order to provide financial protection against a possible eventuality. There are many types of insurance. The expression **insurance** may also mean **reinsurance**
- · Insurance policy is a contract of insurance between the insurer and the insured/policyholder
- · Insurance market participant(s) or participants is an intermediary, insurer or reinsurer
- Insured/policyholder is the individual or company in whose name the insurance policy is issued. A potential insured/policyholder may approach an intermediary to purchase an insurance policy or they may approach an insurer directly or via a price comparison website
- Insurers (sometimes also called underwriters) provide insurance cover to insured/policyholders in return for premium. An insurer may also be a reinsurer
- Intermediaries help policyholders and insurers arrange insurance cover. They may offer advice and handle claims. Many insurance and reinsurance policies are obtained through intermediaries
- *Policy administration* is the process of administering and managing an **insurance policy** following its **inception**
- **Premium** is the amount of money to be paid by the **insured/policyholder** to the **insurer** in the **insurance policy**
- Reinsurers provide insurance cover to another insurer or reinsurer. That insurance is known as reinsurance
- Renewal is the process of the insurer under an insurance policy providing a quotation to the insured/policyholder for a new insurance policy to replace the existing one on its expiry
